“I do... more than a gadget”

Discover robotic intelligence that will
enrich our daily lives.

“I do...
many things”

I bring movement into your life. Whatever you do, I make it easier for you. Whatever you like, I bring it closer. Because I sense how you live. Because I listen. And because I understand you.

“I do...
more than a gadget”

Discover robotic intelligence that will enrich our daily lives.

“I do...
you good”

Lean back. Let me turn your home into a center of enjoyment. I create the atmosphere that relaxes you and delights all five of your senses. Experience a feeling of life that invigorates you with fresh energy.

“I do...
what you want”

I make your life easier by supporting your day-to-day tasks. You decide which things I should take care of. Get the mail? No problem! Bring your phone, control lights, play your favorite tune? Got it. I can easily adapt to a large variety of tasks and add some extra IQ to all your home appliances.

“I do...
for you”

#makeAlmove

Which aspects of your life would you like me to enrich? It could be your home, your career, your hobbies. Tell me: what makes your heart beat faster? How can I support your life as your assistant, your friend or your entertainer?

Space for your ideas

“I do...
make you more productive”

I free you from spatial limitations. I create inspirations. I make contacts. And I put what's most important clearly into your field of view. I handle many small tasks for you so you can reach your wider goals more successfully.

**“I do...
change reality”**

I am more than a bold vision. I am the future. Intelligent robots help people to live better, communicate better and work better. With me, a new relationship begins between human and machine.

Shall we be friends?
