

In cooperation with

KUKA

Add Flexibility to Training – **With Financing Solutions for KUKA Education Cell.**

[siemens.de/leasing](https://www.siemens.de/leasing)

SIEMENS

Finance the Future, Revolutionize Education.

The iiQKA Education Cell provides a modular training environment for robotics basics, programming, and application training utilizing a KUKA KR 4 AGILUS industrial robot and a matching electric gripper. The cell is a concept for basic robotics training in **schools, universities, and vocational education and training facilities.**

- Designed for **stand-alone operation**
- **Safe cell** in accordance with national regulations, including **CE certification** (Machinery Directive 2006/42/EC)
- **Minimal preparation required** for teachers/instructors
- **Pre-assembled and pre-configured** for a faster and easier start
- **Training applications** available
- **Modular design** with additional application packages
- **Pre-installed robot training programs**

*Smart financing overcomes tight budgets.
Providing modern training devices and up-to-date
educational material, you invest in expertise that
secures your future.*

Sample calculation:

Hire purchase with VAT:

Purchase price:	35,700.00 (including VAT)
Term:	36 months
Payment:	1,084.21 EUR
